### Update on the Force Majeure Notification COVID-19

Dear Valued Supplier:

We would like to give you a further update on the impact of the COVID-19 outbreak to TE Connectivity operations in Italy.

On April 1st, 2020, Italian Prime Minister Giuseppe Conte confirmed that anti-coronavirus lockdown restrictions imposed in early March 2020 would be extended until April 13th. Consequently, TE operations in Collegno and San Salvo (Italy) will be further suspended until at least April 13th (11:59pm).

The previous TE Connectivity and affiliates ("TE") Force Majeure declarations remain in full force and effect.

We understand your needs and concerns and commit to keeping you updated during this rapidly evolving situation. Should you have any further questions regarding this notice, please contact your planning contact at San Salvo or Collegno or your Automotive or Appliances EMEA procurement representative.

Sincerely,

Fulvio Calvone  
Managing Director
